

WELCOME TO SIMPLIFIED ACA COMPLIANCE

Worried about the reporting and tracking requirements of the Affordable Care Act? We've got your back.

We know ACA can be confusing so OneLink provides a set of simple yet powerful tools to make compliance easier.

Eligibility tracking for hourly employees.

- Set-up stability and administrative periods
- Easily track hours during measurement periods
- Quickly identify eligible employees
- Simple import of hours

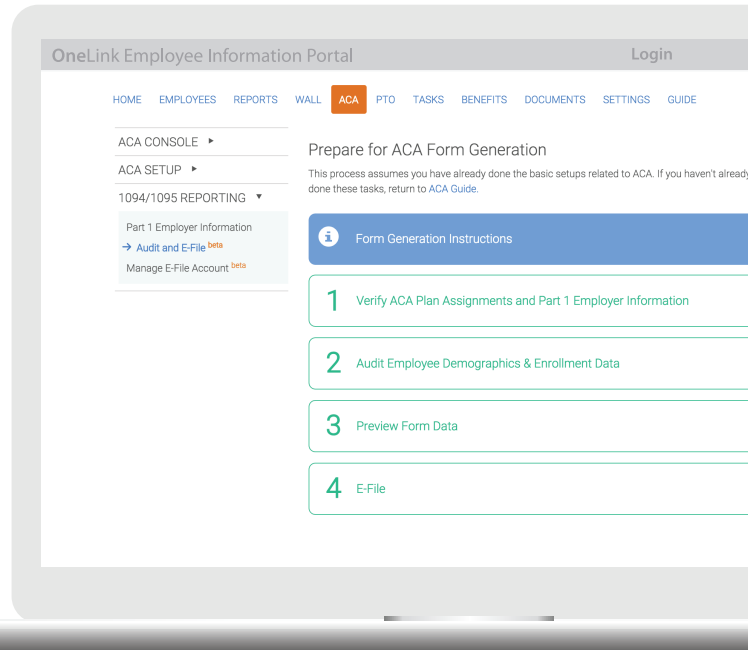

The best data collection tool for 1094/1095 reporting.

- Track and categorize your employees
- Import health plan enrollment data
- Calculate affordability and your monthly FTE
- Generate and send 1094-C and 1095-C reports
- Track company holidays

Transparent pricing.

Our ACA solution is available to all OneLink users. We charge a simple per-form fee to generate and send 1094 and 1095 reports.

Service	Federal E-file & Print/Mail
1-50	\$4.75
51-100	\$3.95
101-250	\$3.15
251-500	\$2.50
501-1000	\$1.80
1001+	\$1.40

Why OneLink?

An ACA compliance system should be easy to use, extremely cost effective and simple to configure. Our ACA dashboard is ready to go out of the box with the features you want:

- An interactive step-by-step guide
- ALE calculations
- Eligibility and affordability checks
- Easy management for variable-hour employees
- Full pre-transmission auditing
